

Product features

Product family	110 – SAFELINE VARIO
Designation	DNSL-ZMV central module ST 500 NL
Description	20 secure inputs, 8 secure outputs
type	DNSL-ZMV
Model	40ZM43
Firmware	v3546
Picture	
Label	DINA
Active	true
Secure digital inputs	16
Analog inputs *	8
Safe semiconductor outputs	6
Configurable inputs/outputs	4
Clock outputs *	4
netlists	500
Relay outputs	2
Encoder inputs	2
Measuring system	HTL
Relapse-delayed time works	15

Counter function	4
Security circles *	8
Two-handed function	2
Scanner function	2
Switch mat function	8
Door components	16
Safe brake test function	8
Synchronous comparator	1
Pulse shaper	8
SD memory card	true
USB interface	true
Price	Price on request

*** Note regarding I/O assignment:**

The functions mentioned (clock, analog, etc.) are not additive. They are configurable multiple assignments of the available inputs and outputs.
